

ORCHESTRA STRINGS

All first-year string players plus current string students who wish to audition for the Concordia Orchestra should sign up for an audition time on lists posted outside Room 148 (Orchestra Rehearsal Hall) in the Hvidsten Hall of Music.

Auditions will be held on Wednesday September 2, 2009 in room 148. Returning string students who are currently members of the Concordia Orchestra will audition at a later date to be announced. The September 2 audition will consist of a solo or etude of the student's choice, scales and a brief sight reading excerpt.
