

**International Student
Major and Minor Information Form**

USCIS regulations require that international students keep the International Student Office aware of your current major(s) and minors so this information can be updated in SEVIS. Please use this form to report any changes or additions to your major(s) and/or minor. Only three fields are available in SEVIS to report this information, so please try to match your situation to the available fields as well as you can!

Student Name _____

Concordia ID Number _____

Major and Minor Information

Major _____

Secondary Major _____

Minor _____
