

2009 Reunion Giving Timeline at a Glance

Training Phase: May-September 2009

- These months are a time to prepare for the calling effort in the fall. As a committee member you will receive a monthly update from the chairs with important dates and information.
- During this phase, you will complete the volunteer “draft”. You will receive an e-mail from the chairs with instructions and a link to an online class list. From this list, you will select the individuals you wish to call.
- All reunion giving volunteers, chairs *and* committee members, receive an exclusive invitation to attend Leadership Weekend, on campus, **August 15-16**. All meals are provided as well as overnight accommodations for out of town guests. In addition, travel expenses, up to \$50, will be reimbursed.
- There will be **one** committee meeting prior to the calling effort (likely in late September). This meeting will be held by conference call - there is no travel involved. If you have not been on a phone call with 20+ of your classmates, you are in for a treat!

Calling Phase: October 13-November 13, 2008

- During this phase, you will make calls to the classmates selected during the “draft”.

Stewardship Phase: December 2008-April 2009

- During this phase, you will receive a monthly donor list for the class with a list of options for thanking the classmates you contacted.

Celebration Phase: May 2009 and October 16-18, 2009

- The Reunion Giving Chairs will announce results through a class mailing in May 2009 and during the class reunion event at Homecoming, **October 16-18, 2009**.
