

Concordia Tennis Academy

FM Area High School Tennis Players,

I would like to inform you about a new summer tennis program that will be offered at Concordia College this summer. The Concordia Tennis Academy is a program that will focus on stroke production, fundamental tennis strategy, and character development in a fun and competitive environment. **If you are looking for a place to hang out and socialize do not register for this program!** Players registered in the program will receive three small group lessons per week. Each lesson will be one and a half hours in length and drilling groups will be limited to eight students. During lessons students will participate in fed ball drills, live ball drills, and various competitive games. During the final fifteen minutes of each drilling session students will also have the opportunity to participate in a Christian faith-based instruction and discussion time. This is a six week program that will begin June 12th and end July 19th. All students who participate in the program will also receive a Concordia Tennis Academy T-shirt. There are only eight openings in each time slot and registration will be on a first come first serve basis. Groups will fill quickly, so I encourage you to send in your registration form as soon as possible. The following lesson times will be open to high school players:

9:00-10:30, 10:30-12:00, 12:30-2:00, 2:00-3:30

All lessons will be take place at the Concordia College Courts Monday-Wednesday.
