

CS 104 - Software Applications
Fall 2008

Assignment 01 – EC1 : Essential Computer Concepts
Due Tuesday, Sept 2nd, noon.

Read EC1.

Create a text file.

Rename the text file: "CS104-A01-NAME.txt"

Rename the file such that NAME is your last name (1 pt).

Type your answers to the questions below in the file and submit it via e-mail.

I. Define the following terms (2 pts each):

Data files
Executable files
Operating system
Phishing
Application software
Program
Malware

II. Answer review questions 1-30. Questions start on page EC 35 (1 pt each).

For the multiple choice questions, your responses should include the question number as well as both the letter & the corresponding answer. For instance:

1. a. serial port
2. d. pharming
3. c. DVD

...

For the fill in the blank questions, your responses should include the question number & your answer. For instance:

18. channel
19. double click
20. fruit snacks

...
