

## Problem Set PS07a

ISSUED: 2/24/99 Due: 3/16/00

Prof. Darin J. Ulness

Name \_\_\_\_\_

**Instructions.** Complete all questions before class on the due date. You are encouraged to work together. Be sure to struggle with the problem before seeking help. Many of the exercises are very similar to problems in the book. Understanding the solution to these problems will be helpful in completing the assigned exercises.

### Exercises

1. Work the following problems from Laidler and Meiser

- 9.1
- 9.2
- 9.5
- 9.10
- 9.13
- 9.14
- 9.21
- 9.30
- 9.31
- 9.32
- 9.39
- 9.56
- 9.57
