

**International Student
Major and Minor Information Form**

INS regulations require that international students keep the International Student Office aware of their current major(s) and minors so this information can be updated in SEVIS. Please use this form to report any changes to your major(s) and/or minor. Only three fields are available in SEVIS to report this information, so please try to match your situation to the available fields as well as you can!

Student Name _____

Concordia ID Number _____

Major and Minor Information

Primary Major _____

Secondary Major _____

Minor _____
